## ADVOCATING FOR CLEAN WATER

**BLUE Missions** is driven by the belief that everyone deserves access to the basic needs required to pursue a life of purpose. Even though water is our most essential need, millions of people struggle to acquire it each day. Since 2010, our team has traveled to remote areas of Latin America to implement solutions by constructing community-owned infrastructure projects that connect families with running water in their homes, and new bathrooms to protect groundwater from contamination. Although our efforts have impacted over 34,000 people, we recognize that our work is just beginning. Due to the effects of pollution, misuse, habitat loss, population growth and climate change, more communities are projected to experience water scarcity with each passing year.

Our responsibility now extends beyond infrastructure to include the overall sustainable management of water resources to ensure access to this basic need long into the future. By empowering the youth to find their role in advocating for clean water in their own communities, we are inviting everyone to play a part in building a future where water is sustainably managed to meet the needs of all.

A dynamic splash of clear water against a light blue background, with several droplets suspended in the air.

## FIND YOUR DROP

For some people, **finding their drop** means volunteering to work on a water project abroad or restoring local habitats. For others, their drop comes in the form of investment in work that creates a ripple effect. At the 2024 BLUE Gala, we invite you to help build a water secure future by investing in water access and sustainability education. Your investment as a Gala Sponsor will connect more families with faucets.

While being granted an immersive look into our work, you will be given the opportunity to make a profound impact. 100% of the funds raised through the BLUE Gala goes directly into our programs, none of it pays for the event itself.

We can't wait for you to join us on this powerful night of impact! **Thank you for your support and care in leaving your mark on this community.**

# Presenting Sponsor

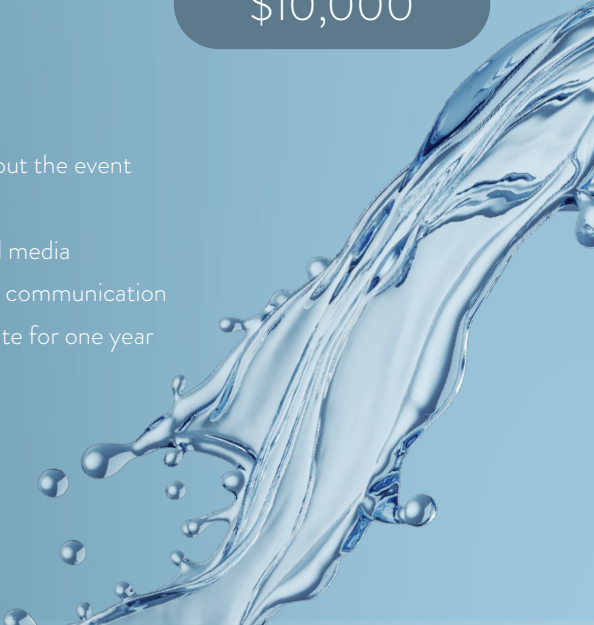

\$25,000

- Premium seating at table for 10 guests
- Brand logo on event invitation
- Brand logo on step & repeat, event program, and projected throughout the event
- Branded event activation
- Unique branded video message
- Option to be involved in event program
- Presence on all pre and post materials including email blasts, press release, and social media
- Two bottles of champagne at table
- Field invitation to visit sponsored water project
